## In the Groove

Sometimes the wait between competitions can feel like forever, which is why many of our Select Company Soloists, Duets, and Trios put their pieces onstage even when group dances are resting. Early this month, when our Mini Company headed to Westminster High School for Groove Dance Competition, several of our Select Company dancers joined them. It was certainly a successful weekend for Company 9! Take a look at these results:

### **Novice Mini Solo**

- 1 A Million Dreams: Piper Wilson
- 2 Strut: Avery Skupaka

### **Novice Mini Small Group**

- 5 Sock Hop Bop

We don't have unlimited media access and can't represent everyone if not everyone participates in these uploads. If possible, please upload by Tuesday, April 30. Thank you for coming to my Ted Talk.
