Dancer Evaluations

End of year evaluations for Levels I - Elite were passed out this week. If your dancer has not yet received theirs, please stop by the front desk. We are so proud of the hard work the dancers have put in this year! We are always so pleased with their growth throughout the year.

Company 9 Auditions | May 16th + 17th

Auditions for all our Company programs are coming up May 16th and 17th. We have various opportunities for dancers ages 4- 18 who are looking for more opportunities to perform and compete and take their dancing to a new level.

Select Company: This is a competitive dance company at Studio 9, combining artistry and technique in a team focused environment.

Select Company works with guest teachers and choreographers from around the nation and

perform at numerous competitions and events throughout the season. Dancers will be cast into one of our companies within Select based on age + ability: Newbie, Mini, Junior, or Teen/Senior.

Ballet Company: This is for dedicated dancers ages 7+ that are seeking in-depth ballet training in order to prepare them for a comprehensive experience in classical ballet. Dancers with the aspiration of dancing at one of the top universities or a professional dancer career in ballet are encouraged to pursue the Pre-Pro and/or Conservatory track as well.

Studio 9 Scholarships

This year, Studio 9 celebrates 10 incredible years of dance, growth, and impact. Just like a dancer counts in to begin, we've spent the last decade building something special step by step. Now, we invite you to help us imagine what comes next. Using the phrase "5, 6, 7, 8...9...10" as your inspiration, tell us what you hope the next 10 years of Studio 9 will look like—and the role you hope to play in shaping its future.

Dancers in levels 1-Elite may submit a one-page essay, a poem, or a creative letter (250 words max). Please turn in your submission to the front desk by Friday, May 23rd. Scholarships will be announced at the start of Peter Pan Showcase. Submissions will be judged based on creativity, attendance, and class effort.
