## **SHOWCASE PARTICIPATION & CONFLICTS**

- All classes listed in the Costume & Show Details pages participate in the Spring Showcase
- Dances are learned February–May while continuing to focus on technique
- If your child is unable to participate due to a scheduling conflict:
  - They may continue classes
  - They will not be placed in formations or charged for costumes
  - The **Showcase Conflict Form must be submitted by January 21**

## **FREQUENTLY ASKED QUESTIONS**

### **Why is the Showcase fee separate from tuition?**

Tuition covers weekly instruction September–May. Showcase fees cover venue rental, staffing, and professional media.

### **Why are costume fees so expensive?**

We work to keep costume costs as reasonable as possible while maintaining quality, fit, and age-appropriate designs. Pricing includes catalogue and/or retail costumes, shipping, sizing, alterations when needed, and coordination across an entire show to ensure consistency on stage.

### **Why can't I rent my child's costume instead of purchasing it?**

Rental costumes are only used for a small number of select classes based on what we already have available in our studio rental inventory. This allows us to help keep costs lower for dancers who are enrolled in 4+ styles. Most classes require custom-ordered costumes to ensure proper fit, consistency on stage, and choreography needs, which is why rental is not an option for every class.

### **What if my child is in multiple classes?**

Each class has its own costume and show assignment.

### **Can siblings be in different shows?**

Yes—many families attend multiple performances. While we do our best to coordinate siblings (especially within our Children's Program classes), it does not always work out. Our first priority is placing students who are enrolled in multiple classes into the same show when possible, which also is not always guaranteed.

### **What if I miss a deadline?**

Deadlines allow us to plan costumes and staging. Please contact the office as soon as possible with concerns.

### **Why do families need to purchase tickets to watch their own child perform?**

Ticket sales help cover the cost of renting the performance venue, along with staffing and operational expenses required to run each showcase. Renting a professional theater allows us to provide proper staging, lighting, sound, and a safe, organized performance experience for all dancers and families.
